Full Member	\$395
Affiliate Member	\$50
Trainee/Apprentice	\$25

Baking New Zealand is the only organisation in New Zealand that focusses on the craft baking industry.

We act as the voice of craft bakers with the Government and its ministries, the connection between the training institutes and the real-world requirements of the industry, and the go to resource & voice for the media on anything that related to our industry.

We are guided by our members and driven by elected volunteers that all work in the industry.

Please read the terms set out below and fill out and sign this form.
